

Viejo LL Umpire Newsletter

All Little League Umpires are unpaid volunteers who dedicate their time to ensure our players and league have the best baseball experience possible.

Starting this year all teams in the Majors, AAA, AA, A divisions are required to earn 7 umpire points in order to be eligible for post season play. You can earn points for your team by attending the umpire mechanics clinic (max 2 points per team) and umpiring games (1.5 points for plate, 1 point for bases). Weekly updates will be provided on each teams progress towards the goal.

We would like to invite both Adult and Youth interested in learning how to umpire to attend the upcoming umpire mechanics clinics hosted by District 68. You will learn the basics of umpiring like where to stand, how to make a call, how to work as a team to ensure you are confident when your out on the diamond.
