

Dear Community Partner:

Viejo Little League is a non-profit organization, chartered by the State of California and the IRS as a 501(c)(3) corporation. The league has been dedicated to fostering values of self-discipline, teamwork and commitment since 1977.

Sponsoring our league will provide you with a unique opportunity to catch the attention of hundreds of local families - not once, not twice, but several times a week, for months! Depending on the sponsorship level you select, you could have exposure on one or more fields. We have added an additional level this year that will ensure people see your company sponsorship. Our "World Series" opportunity allows you to sponsor one of our fields for the current season.

We need help from our community partners to make our league a success for all of the children. 100% of your sponsorship will go directly to Viejo Little League to help fund scholarships for those children with a financial hardship and purchase much-needed baseball equipment.

Please consider making a donation which will be acknowledged on our website (viejollittleleague.org). Thank you in advance for your generosity on behalf of our children.

Thank you,

Leona Halonen
